Dear Mr. Pargman:

I recently received the Save the Earth t-shirts you sent me, and I wanted to thank you for your thoughtfulness.

The outpouring of support for this campaign has been exhilarating. While people express this enthusiasm in many ways, I am deeply touched when individuals take the time to send a personal memento or gift as you have.

We have a tough campaign ahead of us but with the support and generosity of people like yourself, I am confident that we will be successful.

Again, thank you and please keep in touch.

Sincerely,

Al Gore
